Venue: Liberty Grand, Exhibition Place, Toronto

Date: Wednesday, September 24th, 2014

Gala Reception: 5:30 p.m. A must-attend networking reception with fabulous live music leads off the celebrations.

Gala Dinner & Awards Ceremony: 7:00 p.m.

Supplier of the Year Award: Awarded to an Aboriginal or Minority owned business, the supplier of the year award goes to a company with impact – in sales and export growth or as an industry innovator.

Small Business of the Year Award: Awarded to an Aboriginal or Minority owned business with 50 or fewer employees, based on business growth and development, export sales growth, and major accomplishments during the previous year.

Corporation of the Year Award: Presented to the leading corporation that demonstrates active inclusion and spend with certified Aboriginal and minority suppliers, assists in the development of Aboriginal and minority suppliers, promotes supplier diversity and business development within their corporation and to their vendors and other businesses organizations.

NEW Tier 1 Champion of Supplier Diversity: Presented to a business-to-business Tier 1 corporation that actively supports its clients economic inclusion goals by including certified Aboriginal and minority suppliers in their procurement opportunities, assisting in the development of Aboriginal and minority suppliers, and actively promoting supplier diversity across their corporation.

Procurement Business Advocate of the Year Award: Presented to an individual who strongly promotes supplier diversity through outreach efforts/activities and is respected by their peers for advocating supplier diversity in Canada.

CATA Technology Innovation Award: Awarded to an Aboriginal or Minority owned business for the most innovative new technology-based product or service. The product will have proven itself in operation and its design and market success will have enhanced Canada's international reputation for innovation and excellence.

NEW Collaboration Award: Presented to a company/organization which works collaboratively with CAMSC members, suppliers or other organizations to strengthen Aboriginal and minority business growth and facilitate supplier diversity.
